

What your £1,000 covers (Participants)

The £1,000 paid to Msaada for the Rwanda marathon visit covers:

Transport to and from Kigali airport

Rooms and meals at the AVEGA Centre in Rwamagana, where the marathon and half-marathon start and finish.

Pasta Party on the night before the run.

Transport to visit Msaada/AVEGA projects

Transport to visit memorial centre in Kigali

Transport to visit Hotel des Mille Colline (the hotel at the centre of the film Hotel Rwanda)

Evening of traditional Rwandan dancing and music by the Subiruseke group (widows and orphans who survived the genocide)

There are invariably incidental costs associated with a trip such as this, and these costs should also be covered by the £1,000.

Should there be any balance after all costs are paid, this money will be donated to AVEGA, to assist them in their work with genocide widows and orphans
